

## Arkansas, Kentucky, Mississippi, Texas

**For the most efficient way to send emails to multiple email addresses, please copy and paste these email addresses into the BCC (Blind Carbon Copy) section of your email. You can copy and paste each section at the same time. There is no need to copy and paste individual emails. Using BCC will hide recipients from each other, ensuring privacy. Complete with the subject line and body of your email and hit send. Thank you!**
